Brooks Memorial Hospital is a 65 bed, not-for-profit community hospital located on the shores of Lake Erie in Dunkirk, New York. Brooks is an affiliate of the Lake Erie Regional Health System of NY. Originally founded in 1898, Brooks has provided quality health care to the residents of Northern Chautauqua County for over 100 years. Our healthcare team of over 500 members ensures that the residents of Northern Chautauqua County receive the best primary acute care available.

Brooks offers a complete range of both inpatient and outpatient services including: General Surgery, Ambulatory Surgery, Obstetrics, Outpatient Services, Physical Therapy, Cardiac Rehabilitation, Respiratory Therapy, Kidney Dialysis, ICU/CICU, Emergency Department, Laboratory Services, Nuclear Medicine, Radiology/Diagnostic Imaging, (CT, MRI, Ultrasound, X-Ray), Cancer Treatment, and Radiation Therapy. Recent updates at Brooks Memorial Hospital include the addition of a new Women's Imaging Center with Digital Mammography and an expansion & renovation of the hospital's Dialysis Unit.

Brooks also has additional sites located throughout the community to provide a variety of services to meet different health care needs. The Sports Medicine and Athletic Rehabilitation Center provides outpatient physical therapy treatment and the Patient Services Center is an off-site laboratory for blood work and urinalysis.

Emergencies

The Brooks Memorial Hospital Emergency Department is staffed by physicians, registered nurses and allied health care professionals 24 hours a day, 7 days a week. Our ED physician is available to treat you or your own physician will be contacted. If you need the services of a specialist, a member of the hospital's Medical Staff is available on-call to treat you.

The Brooks Memorial Hospital Medical Staff is governed by staff rules and regulations in accordance with standards set by the Joint Commission and the New York State Department of Health.

Brooks Memorial Hospital is accredited by the Joint Commission, is a member of the American Hospital Association, the Healthcare Association of New York State, the Western New York Healthcare Association, and the Chautauqua County Health Network.
