

New OB Unit at Brooks

The Family Waiting Room is bright and sunny; featuring lots of comfortable new furniture to accommodate fathers, friends and families.

Each of the 3 new **Labor Delivery Rooms** is equipped with everything the physician needs, as well as furniture designed to make the soon-to-be mom and family comfortable. A beautiful new bathroom with shower is also included in each birthing room.

*The **Nursing Station** has been completely redesigned and remodeled, creating an open and efficient work environment for the nursing staff.*

*Each of the 7 **Private Rooms** has its own bathroom and shower.*

*Each of the **Private Rooms** is also furnished with beautiful, homey furniture including a small writing desk, a pull-out bed for dad, and comfortable sitting chairs.*

*The remodeled **Nursery** area features a bright **Nursing Station** which overlooks the **Nursery** itself.*
