

**25th ANNUAL ROTARY BLOOD  
SCREENING PROGRAM**  
Registration Information Fall 2009 Program

Dear Interested Program Participant:

The 2009 Rotary Blood Screening Program will be held on Saturday, September 19 at Fredonia High School and Saturday, September 26 at the Dunkirk Middle School, 6:30 to 9:20 am. We want to register you for the program.

Rotary has made a community health commitment to you. This year we will continue our high quality program. We are pleased that Brooks Memorial Hospital Laboratory will continue to perform the testing. Our relationship with Brooks allows us to keep our cost competitive and have your laboratory results readily available to your local physicians. Most physicians in the community have their office connected electronically to Brooks Memorial Hospital. This connection allows your test results, along with any other tests you may have performed at Brooks, to be easily reviewed by your physician.

**Our costs this year are:**

The cost of the 39 CLINICAL TESTS, and the included COLORECTAL TAKE HOME TEST.....	\$40.00
The cost of the PSA (for men).....	\$27.00
The cost of the T4 - Thyroxine (thyroid test).....	\$10.00
The cost of the CARDIO CRP.....	\$25.00

We encourage your participation in the Rotary Blood Screening Program for your health and to keep this important local program in the community. For you and other community members it is part of an annual health review and wellness program. For Rotary, the proceeds are used to provide community health programs such as free child immunization clinics, as well as supporting other civic projects such as the beautification of Russell Joy Park in Fredonia and the construction of the Skateboard Park in Dunkirk. Our use of Brooks Memorial Hospital Laboratory supports local jobs and keeps the money in the community.

[CLICK HERE](#) to download the 2009 Rotary Blood Screening Registration Form, complete it and return it to Brooks Memorial Hospital, Medical Laboratory, 529 Central Avenue, Dunkirk, NY 14048 or , fax the completed form to us at (716) 363-3918. You can also phone in your registration by calling (716) 363-3917 Monday through Friday between 8:00 am and 4:00 pm. You can also e-mail the registration to [rotary@brookshospital.org](mailto:rotary@brookshospital.org).

As in the past, you can pay by cash or check (*made payable to Brooks Memorial Hospital*) at the time of your appointment.

***Thank you for your support of the 2009 Rotary Blood Screening Program.***
